Block measurement 7 1/2" x 4" (dotted line to dotted line)

Block measurement 6 3/4" x 5" (dotted line to dotted line)

Be sure to measure blocks after printing out, but BEFORE piecing!

If they do not measure correctly, check your print screen - it should be set at 100% print out. If you cannot get that to work, simply add a small border around the blocks after piecing and trim to size.
